*LUXURY JEWELRY BOXES & DISPLAYS*

---

# Story

A family business at its core, Romanos was founded in 1996 in Beirut Lebanon, and more than 25 years of experience, our roots have run deep in the luxury boxes manufacturing industry.

Craftmanship & innovation have been our essential tools that have kept us delivering exceptional quality and finesse over the years to our clients.

# Value in Quality

At Romanos, we are passionate on creating timeless designs.

With every client, there is a unique process we follow.

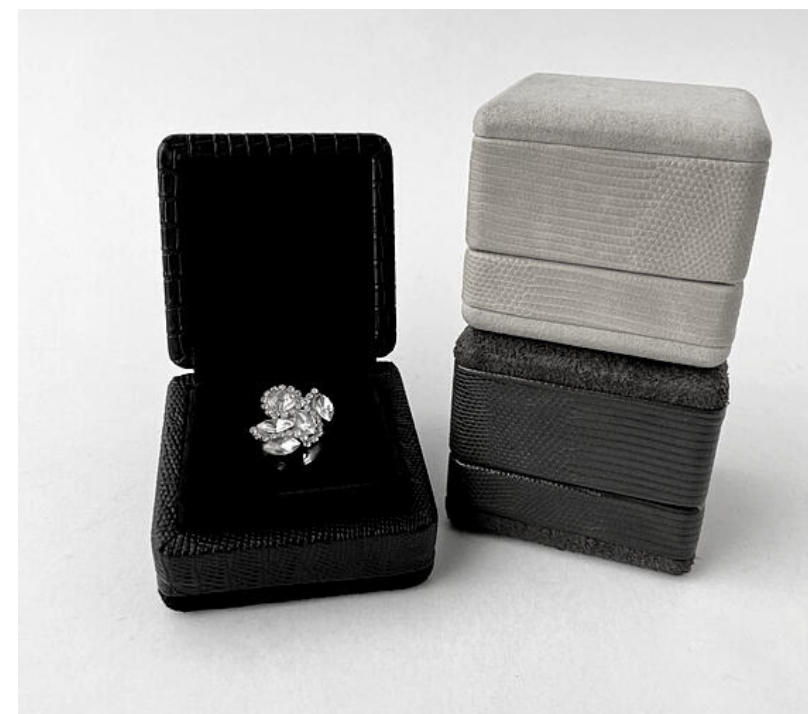

By understanding their brand's vision, we build on this concept in terms of designing unique shapes, choosing color combinations and textiles, and finally executing an ageless box that accentuates and adds value to our client's pieces.

Production is handmade and carried out with an acute attention to detail, ensured by experienced quality managers.
